

10 October, 2008

The State Key Lab has recently entered into an agreement with Jinan University of Guangzhou to set up a Joint Lab of Brain Function and Health.

On 10th of October 2008, President Lap-Chee Tsui of HKU and President Hu Jun of JNU signed an agreement to conduct a project "JNU-HKU Joint Lab of Brain Function and Health". This joint effort is initiated by our State Key Laboratory of Brain and Cognitive Sciences and the Medical College of Jinan University. Several members of the State Key Lab are PIs of this joint lab.
